## DEG®: THE DIGITAL ENTERTAINMENT GROUP ANNOUNCES INAUGURAL TECH OPS AWARDS FINALISTS

**LOS ANGELES (March 30, 2021) | DEG: The Digital Entertainment Group** is proud to announce the finalists for the inaugural **Technology & Operations Awards**. This Awards program was created to recognize exceptional technology accomplishments in the digital supply chain achieved by both companies and individuals. The DEG TechOps Awards encourage and promote excellence in all business categories (content, retailer, service) represented within DEG and showcase the importance of the industry's technology & operations teams supporting the digital supply chain.

The three main categories to be awarded are: Technology Leadership, Technology Achievement, and Technology Innovation. In addition, a Lifetime Achievement Award that spans categories and business segments will be presented.

"We are pleased to recognize all the outstanding finalists for the inaugural DEG TechOps Awards," said Amy Jo Smith, President and CEO, DEG. "As key members of the industry's technology and operations teams each is deserving of this honor for the significant roles they play in delivering highest quality premium digital content to entertainment-loving consumers across a variety of platforms. Kudos to all of the finalists!"

The DEG TechOps Awards will be presented virtually on Wednesday, April 28, 2021 at 3 PM (PDT). Click [here](#) to register.
